

Catlin USA

Catlin Specialty Insurance Company is rated A: XV by AM Best and Company and is an approved non-admitted carrier in 47 states. Catlin has some of the most seasoned underwriters in the public entity and school market. These underwriters are flexible and willing to listen. They take the time to understand the unique needs and issues of each insured and can often address areas standard carriers cannot.

Catlin has proprietary policy forms drafted to suit the unique needs of the public entity and school marketplace. Public Officials Liability and Educators Legal Liability can be offered on either an occurrence or claims made basis. Coverage is offered excess of a minimum SIR of \$50,000. Follow form excess liability coverage over other carriers is also available.

Catlin has a total capacity of \$10 million and is a wholesale only market for this coverage. Catlin is committed to providing a stable and consistent market throughout the cycles of our business.
